

Conscientious Objection to Sunscreen Application

I agree that I have been provided with current information regarding sun protection, as well as Lady Gowrie Qld Community Kindergartens Sun Protection Policy.

I have also been given the opportunity to discuss my concerns about sunscreen application with the Nominated Supervisor.

I have chosen for my child to not wear sunscreen. I understand that in regards to The Gowrie's and Kindergarten Service's commitment to best practice, providing a safe learning environment, and to sun protection for my child, the service will continue to:

- Provide shade in outdoor spaces using trees, shade cloth and other items
- Ensure that outdoor activities generally take place during sun safe hours (before 11am and after 2:30pm), avoiding peak UV times
- Set up and move play activities throughout the day to utilise daily shade patterns
- Ensure that all staff and children, including my child, are wearing sun protective hats (full-brim or legionnaire-style) and clothing (ie, shirts with sleeves to be placed over singlets) whilst in the outdoor environment
- Check often to see that any soft fall areas/items are not too hot for children's feet
